

When I ask for a  
phone number, so  
I can report this,  
a quick hang-up  
indicates a fraud!

Please help limit  
to the core the privilege  
they enjoy to make  
money on many  
naïve, unsuspecting,  
gullible people?

Dear Director!

I resent telemarketing!

- That pollutes my  
phone pleasure and  
necessity!

Stop Sunday telemarketing,  
please! How dare they  
solicit me for their  
marketing business on  
a religious day for me!

I'm stunned at the  
\$600 BILLION in 2001  
amassed by the tele-  
marketing business!
